

# Metrocon 2025

## Thursday, November 13, 2025

**Photonics: Epitaxial quantum dots (QDs) for infrared emitters** - Hurst Conference Center (9:25 AM - 10:15 AM)

-Conveners: Paul Pinsukanjana

**Photonics: High-Performance and Scalable Heterogeneous Photonics Integration on 300mm Capable Platform** - Hurst Conference Center (11:05 AM - 11:55 AM)

**Photonics: Production MBE Capabilities at IntelliEPI to Support Growing Optoelectronic Market** - Hurst Conference Center (1:35 PM - 2:25 PM)

**Photonics: Design and Optimization of Passive Imaging Systems: From Sensor Physics to Application-Specific Solutions** - Hurst Conference Center (2:35 PM - 3:25 PM)

**Photonics: Session 5** - Hurst Conference Center (3:35 PM - 4:25 PM)
